DESCRIPTION

Luminous™ is a solid surface solution intended for horizontal and vertical applications. Developed for visual impact using Lumicor technology, the rich colors of Luminous create dramatic installations that captivate the senses. The versatility of Luminous makes it easy to add a splash of color to any application. Customize colors by adding additional color layers. Layering is limited to three layers of color and an add-on or two layers of color and two add-ons.
(Additional charges apply.)

AVAILABLE ADD-ONS

ChemShield™
A barrier used to increase chemical resistance of Lumiclear panels.

Reflective Finishes™
A reflective surface that adds dimension and a sophisticated sparkle.

Illume™
Adding Illume to the back of a panel provides a soft light diffusion.

Marker Board™
A high quality dry erase finish that can be added to any Lumicor panel.

Opaque™
An opaque backing on Lumiclear or Lumiform creates a fully opaque panel.
