

Décors | Luminous

SEAGLASS™

Add striking color to solid surface applications with Luminous décors, a versatile collection made up of over 60 dramatic hues. Specify up to three layers of color to create custom shades.

PATTERN TO SCALE

This décor is not available with a frost finish on the film side.
To see more images of this décor, visit the [Luminous page](#).

Not all decors are available in every gauge or sheet size and may vary by resin. Gauge tolerance is $\pm 10\%$. Each color layer adds .010" to the thickness. Colors may differ between the page and the product. For the most accurate color representation, please consult physical samples.
