Rain

A soothing cascade takes you to a peaceful state of mind.

Impressions Natura Collection by Lumicor captures the essence of botanicals and natural elements, paired with the beauty of nature's color palette. Evoke harmony and well-being by bringing nature indoors, and create a lasting impression for your next project.

Koori + Lago

Create a fluid, refreshing environment.

Impressions embossed décors add depth and pattern to a translucent surface. Crafted by hand, these décors can be combined with any of our Spectrum colors, Add-Ons or other subtle fabric decors to create a custom panel to your specifications. The possibilities are endless.

Hayneedle + Nutmeg

Integrate subtle textures into any space.

Mianzi + Seaglass

Immerse yourself in a pool of tranquility.
