

KUVIO

DIMENSIONAL WALL TILE by Lumicor

KUVIO

DIMENSIONAL WALL TILE by Lumicor

Kuvio Dimensional Wall Tile brings pattern to life with crisp, geometric shapes in a stunning collection of finishes, including rich woodgrains, textured solids, metals, concrete, and stone. Each lightweight tile arrives fully finished, making installation a snap.

Kuvio takes its name from the Finnish word for pattern, alluding to a key feature of this beautiful wall tile — each of the shapes can be laid out in a variety of patterns, allowing for design versatility.

Design your wall at [Lumicor.com](https://lumicor.com).

DIMENSIONAL

Each geometric shape offers its own distinct surface profile, featuring gentle curves or crisp facets that add interest and dimension to any wall.

EVERY PATTERN BEGINS

WITH A SINGLE SHAPE

DESIGN YOUR WALL

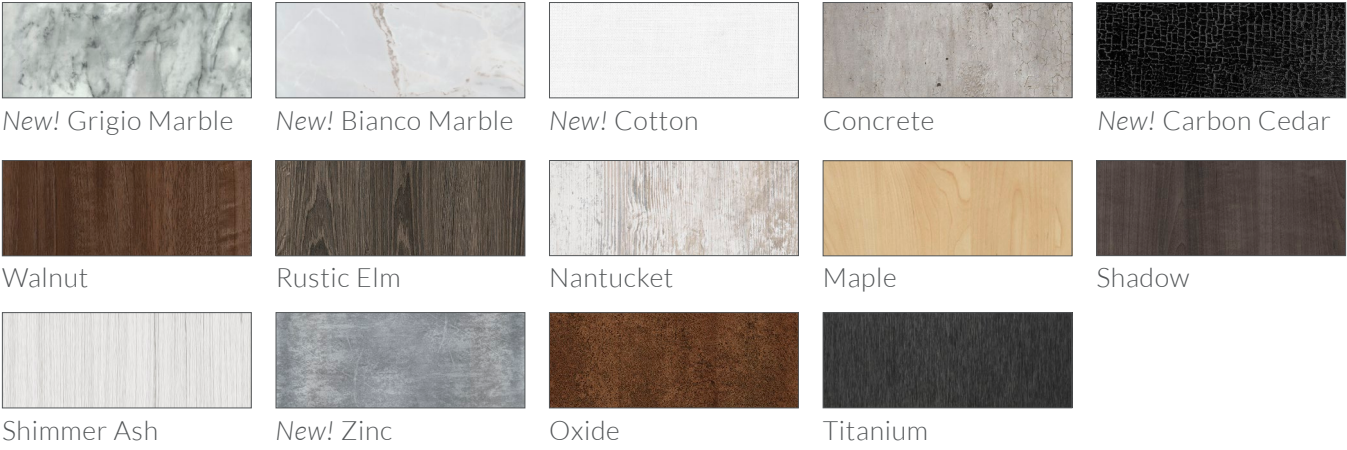

SHAPES

Pattern comes to life with crisp, versatile shapes. Our lightweight tiles are fully finished, making for quick and easy installation.

FINISHES

A wide variety of finishes are available for each shape including rich woodgrains, textured metals, concrete, and stone.

CUSTOM COLOR

Want a specific color for your Kuvio tiles? Cotton finish provides the perfect canvas.

- STEP 1 • Order specified tile shape(s) with a Cotton finish
- STEP 2 • Follow painting instructions, available at lumicor.com, to paint finished tiles any color
- STEP 3 • Once dry, install tiles per standard installation instructions

PATTERNS

One shape, multiple possibilities! Each Kuvio shape can be laid out in a multitude of patterns, allowing for design flexibility and designer creativity.
