DEEP END™

Channeling childhood memories of peering into the local pool, Deep End features aquatic reflections that dance across the surface of this décor.

PATTERN TO SCALE

White areas of the artwork print as clear due to the translucency of the ink. Talk with your local rep about solutions for opacity.

Thermoforming is not available for this décor.

To see more images of this décor, visit the [Lumicor website](#).

Not all decors are available in every gauge or sheet size and may vary by resin. Gauge tolerance is $\pm 10\%$. Each color layer adds .010" to the thickness. Colors may differ between the page and the product. For the most accurate color representation, please consult physical samples.
